# SOMETHING TO TALK ABOUT

"A Little Mystery  
To Figure Out"

**W**E ARRIVED AT THE HIGH SCHOOL FROM A VARIETY OF PLACES - different schools, different towns, and even different countries. We began speaking of our separate pasts and now we have created a past to share. United, we speak of the future. We have matured together through the times we have experienced, and we look forward to the challenges yet to come. Growing together, we became one voice that spoke out for what we believed in. We broke records, as well as traditions, and for that reason we stood out and we will always be remembered. As we go our separate ways, we should always recall that, as the Class of 1997, we gave them *Something to Talk About*.

**RIGHT:** Laura Gaska and Amanda DeRocco smile for the camera.

**MIDDLE LEFT:** Y-M-C-A!

**MIDDLE RIGHT:** Even then they knew: the class couple.

**BOTTOM LEFT:** Maureen Rayne, her date, Meghan O'Donnell, and Claire Picz ham it up for the camera.

**BOTTOM RIGHT:** Eric Griffin and Amy Peranelli sit this one out.

# It's at the tip of our tongues...

It was our very first formal and it showed. True, it seemed like we were all dressed up in our parents' clothes but we were excited and ready to have fun. One by one, people began streaming into the Irish American Club; the evening had begun. Awkward at first, we warmed to our grown - up roles and acted debonair and sophisticated. (Right!) Pictures were taken and memories were made as the music played on into the night. With the fun had by all we knew that the night belonged to us. After all, "We've got Tonight."

"Let's make it last,  
let's find a way."

**TOP RIGHT:** Mandi Danehy and Kristen Fischer kick up their heels doing the Electric Slide.

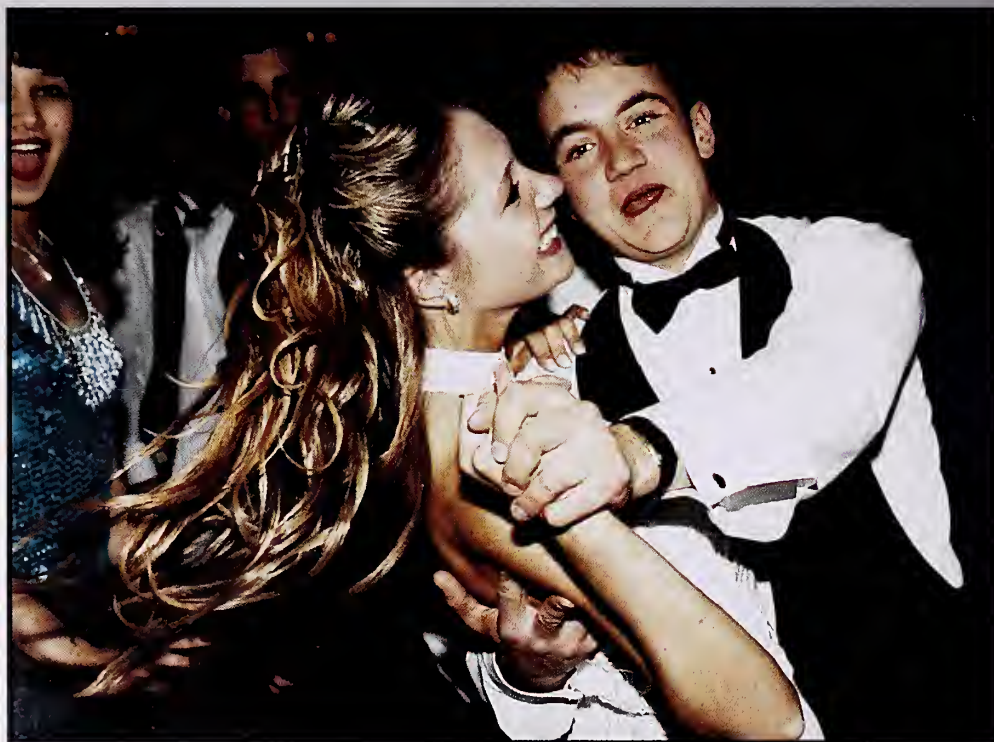

**ABOVE:** Jamie Blois and Karen Sullivan -lookin' good!

**TOP LEFT:** Boys just wanna have fun!!!

**LEFT:** Hokey pokey anyone?

**ABOVE LEFT:** Tiffany Moore and her dapper date go for a dip on the dance floor.

**ABOVE RIGHT:** Andy Soares and Heather Leverone look awfully sophisticated and elegant.

**RIGHT:** Bobby Rumley takes Mrs. Capadanno for a spin.

# The Junior Prom

*We're Still Talking About It!*

The limos pulled up, and as we stepped out, the tone of the evening was set. As the clock struck seven, our magical night began. The Castleton sparkled, the decorations were perfect, it was as if we had entered another time and place. Everyone was dressed for the night and ready to begin an evening they would never forget. We had entered "Heaven." We were greeted by music, and soon we were dancing the night away. At the stroke of eleven, our fantastic evening ended with us leaving with a little piece of "Heaven" and great memories to talk about.

## "Heaven"

**TOP:** Members of the Class of 1997 are livin' it up in rock and roll "Heaven."

# Talking Tough

## Talk it Up!

**T**hanksgiving. Most people would think of turkey, stuffing and cranberry sauce, but if you are a member of the Billerica High community, you think of spirit week, the pep rally, and of course, crushing Chelmsford. The pep rally is the light at the end of the tunnel, so to speak. It marks the end of spirit week and it prepare the team and the fans for the Big Game. Good ol' Mrs. Ouellette is in charge of pumping up the team, fans and even the teachers (thanks Mrs. Ouellette!). The captains of all fall sports are escorted in by the cheerleaders, to the beat of Boola! Boola!, and tell the entire school of their accomplishments and goals reached throughout the season. Then it is time for Coach Flynn's speech. Whether he is guaranteeing a win, or telling of his players, you leave the rally knowing that Billerica Indians will give Chelmsford something to talk about.

**TOP LEFT:** Dana Putnam escorts senior volleyball captains Melanie Connors and Jen McBride.

**TOP RIGHT:** Coach Flynn gets a standing O.

**MIDDLE:** Senior soccer captains Jackie McLean, Wendy Boudreau, and Nicole Ouelette.

**TOP MIDDLE RIGHT:** Matt Carson high-fives Bobby Rumley.

**TOP FAR RIGHT:** Huddle on the field.

**MIDDLE LEFT:** Bobby Rumley punts seconds before the rush.

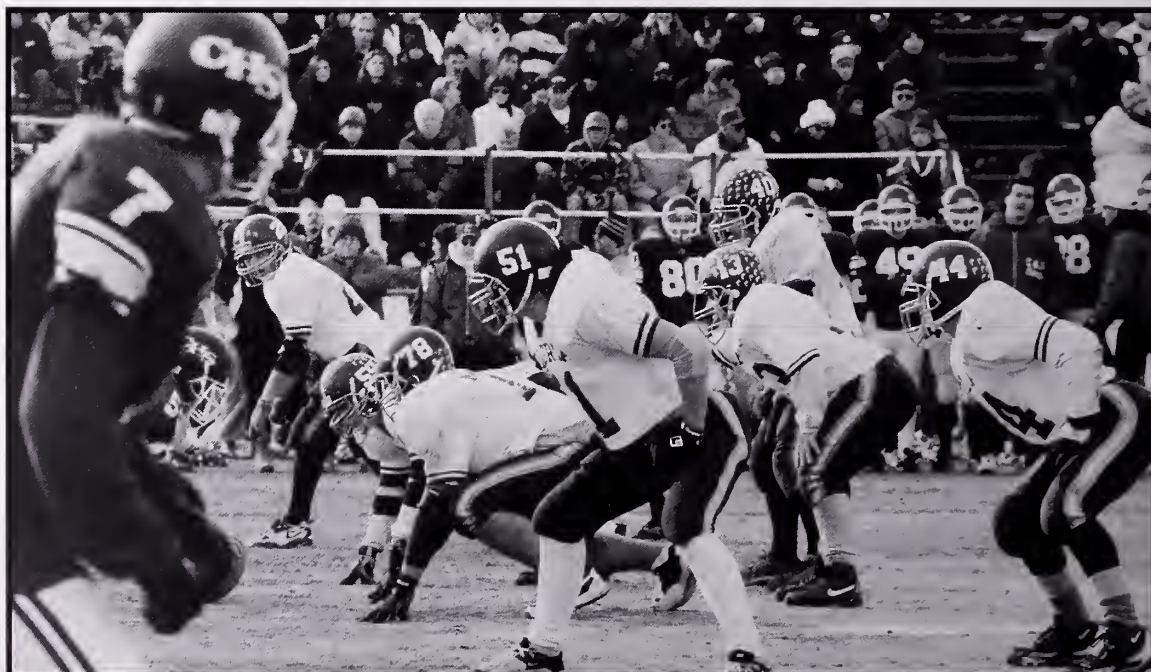

**MIDDLE CENTER:** Good vibrations from the band.

**MIDDLE FAR RIGHT:** Nice Tackle!

**ABOVE:** Billy Saunders: the face of determination.

**RIGHT:** The defensive line gets ready for the snap.

## Thanksgiving Day Game

**T**he rally left our football team with no doubts about the "Big Game." As the Indians entered the stadium, there was no mercy. Chelmsford's kickoff led to an instant Billerica touchdown.

This first touchdown set the tone for the rest of the game. No matter how hard the Lions tried, they could not overcome our great Indian defense. The defense played well and our offense was too difficult to contain. At the half, the score was 35-0,

and Billerica fans watched Chelmsford's bleachers become bare as the Indians decimated the Lions. Revenge is sweet. Final score 41-0.

"Talk the talk,  
Walk the walk."

**ABOVE:** Billy Burrows executes the pass.

**LEFT:** Coach Flynn huddles with his players.

**TOP LEFT:** The rally ends spirit week.

**TOP RIGHT:** Chris McCabe and Michelle Farrell: fifties meet sixties.

**MIDDLE LEFT:** The class of 1997 sees spots.

**MIDDLE CENTER:** Shannon Casey and Michelle Vigna give 'til it hurts.

**MIDDLE RIGHT:** Ed Stanley has money to spare.

**BOTTOM LEFT:** School's a beach.

**BOTTOM CENTER:** Amanda DeRocco, Michele Moody and Missy Donovan return to the fifties.

**LEFT:** Chris Ross- Leader of the pack.

**BELOW:** Hippies Meg Newfell and Amanda Foppiano.

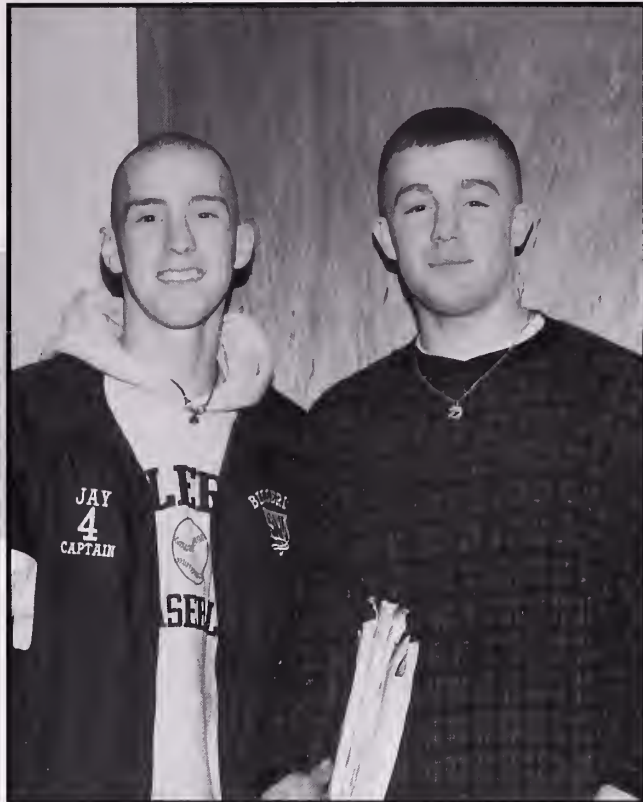

**“There are no losers  
during Spirit Week.”**

*-Jason Kinzel*

Our last spirit week- we felt that this was our year. After three solid years of last place finishes, we were ready for victory. We were the top contenders all the way through the last day. We could feel the trophy in our hands, but it was just not meant to be. The different days let everyone express their spirit different ways. Crazy hat day had Santa hats, beanie caps and Dr. Seuss hats roaming around the halls. Disney/Cartoon day had the comeback of the 101 Dalmations. Once again, Beach Day was a hit. Sure, it was the middle of November, but that didn't stop us from coming to school in shorts and tee-shirts. As an addition to the spirit week activities, 50's/60's Day was a big success. During the day, BMHS once again had poodle skirts, "T-Birds", love beads and hippies in its hallways. Up to this point, with the help of our decorated Senior House, we were in the lead. It all came down to the Penny War. Everyone was out to get us, and even with the great effort to raise pennies, dollar bills outweighed the little copper coins. Although we only came in second place, it was a great way to end our spirit week challenge.

# SENIORS

Say it isn't so! Four years flew by and the Class of 1997 is outta here. Defying description and hard to classify, our class has been an enigma wrapped in a mystery, truly a "little puzzle to figure out." Jocks, artists, loners, clowns, brains:

who are we.? A class of individuals, and proud to be so. But we've come together at all the important times: on our teams, in our clubs, for blood drives and penny wars, proms and class day picnics. We've come a long way since our Freshman outing to Canobie Lake Park.

Now the roller coaster of life with all of its ups and downs awaits us. So here we are on the next few ages, the Class of 1997, exasperating and amazing. As Kermit noted in our Muppet days, it's not easy being GREEN, but green is what we'll always be. Why wonder why.

"Striving for success without hard work is like trying to harvest where you haven't planted."

Your graduation from BMHS is a form of harvest and congratulations are the word of the day. From the very moment you entered school as Grade 9 students until your wonderful graduation ceremony, you demonstrated the desire to succeed, the will to work hard, and the pride that comes from a job well-done.

My hope for all of you is a future of continued challenges and successes. May you also continue to seek opportunities to contribute in a direct way to making our world a better place for all people.

## Cead Mile Failte

During April school vacation twenty-nine travelers from Billerica headed off for a fun filled week on the Emerald Isle. Among the group traveling were eleven seniors, including Shawn Smith, Shawn Demerjian, Meghan O'Donnell, Laura Gaska, Amanda Foppiano, Michele Moody, Amanda DeRocco, Sara Barber, Jackie Richard, Anne Foley, and Maureen Rayne. The group was led by Ms. Robb, Ms. Donovan, and Mr. Doherty.

Their trip began with a fun filled ride to Muckross House in traditional Irish jaunting cars and some free time to wander around Killarney and do a little shopping. After a much needed night's sleep, day two began with an excursion to the Ring of Kerry. Those windy narrow roads were unsettling, but the scenery of the Irish coast was beautiful. Day three in Ireland was spent touring the Dingle Peninsula and topped off with a visit to the beautiful Killarney Cathedral. The next day the group headed to Cork with a stop off in Blarney and a visit to the famous Blarney Stone. The last two full days in Ireland consisted of a visit to Glendalough, an ancient monastery in county Wicklow, (the only part of Ireland with dense forest), and a day in Dublin, including a visit to St. Patrick's Cathedral.

Throughout the week the travelers were treated to Irish jig lessons, a boat ride on the beautiful lakes of Killarney and a visit to the famous Book of Kells. During the week the group traveled on a large colorful coach with Mike their fearless driver, and Patrick their infamous tour guide. From Killarney to Waterford to Dublin, the group traveled the Irish countryside listening to *Songs of Irish Freedom vol. 2* (thanks to Shawn Smith), and swapping boxes of Dramamine.

The group ended their trip with a fun night in an Irish Pub and an "exciting" show at the Abbey Theatre. At the end of the week the travelers packed up and headed back to Billerica, reluctantly leaving, without any sleep. Memories were made that will last a lifetime, no one will ever forget the Lake Hotel, the La Touche Pub, or all those wonderful potatoes, lots and lots of potatoes. Although, the trip was a great get-away from home, everyone was excited to pass the "American Embassy" known to people in our country as McDonalds! The week went by quickly, but the travelers made memories that are certain to last a lifetime.

## A Merry Old Time

Thirteen hours was the approximate amount of time it took us to enter the London airport. Why, the reader asks, did it take the sixteen students and four chaperones so long to get to England? Well, in actuality, it only took us six and one half hours to get to London, the other six and one half hours were spent in the airport ... on the plane!

Due to the fact that the English elections were coming up, the IRA decided to pull a demonstration at the airport, which forced everyone to evacuate the airport in 32 degree weather while the English bomb squad searched the airport for a bomb. Welcome to England, Billerica High!!

The trek to England was long and hard which made our minds up ... we WERE going to have a great time even if it killed us! The group consisted of sixteen students, six of which were seniors ... Shannon Casey, Michelle Farrell, Laura Leone, Paul Prestia, Meghan Robertson, and Julie Swiminer. The tour was a London theater tour which meant we got to see three shows ... the musical Blood Brothers, the musical Buddy (a musical about the life of Buddy Holly, which we were able to sing and dance at), and the play "An Inspector Calls."

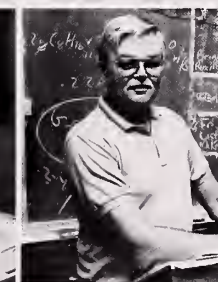

Foffy, our Italian tour guide, brought us to the British museum, Covent Garden, Harrods department store, the Tower of London, London Bridge, Hyde Park, the changing of the guards, Westminster Abbey, Trifalger Square, and an Elizabethan Banquet! Collectively we decided that the food in London was horrible, the people were awesome, and the theater was great.

On Shakespeare's birthday, our group traveled to Stratford upon Avon, his birthplace, and there was a theater festival taking place. On our way we realized there weren't any suburbs, like Billerica, there were big booming cities, and tiny little towns. Our group also went to Oxford University, the most prestigious university in London.

All in all the trip was great! The bombs and the mass confusion over in London could not keep us from revisiting the city and our beloved friends at Pizza Piazza! Bon Voyage!

# S.A.D.D. Mock Crash

"We regret to inform you that your son/daughter was killed in a drunk driving accident."

Every parent's worst nightmare is hearing that saying. The Town of Billerica, SADD, and DARE tried to prevent that from happening over prom and graduation season by showing the students of BMHS what a drunk driving crash looked like. There was everything from fake blood to fire, police, and ambulance vehicles, to a black ominous hearse. The crowd was able to see the way the crash affected two friends and also what happened to the driver. Matt, who played the drunk driver, was arrested in the parking lot.

If the Town was trying to use the scare tactic, it worked. The look of the cars alone was enough to send shivers down the spines of many on-lookers. Matt agrees, he was quoted by saying "Look what happened, it's scary."

Besides just seeing the crash, the police informed the students that "It takes about four minutes for the police to arrive at the scene, and it takes another 12 minutes for the victims to be taken to the hospital." In 1996 there were statistics that showed "13,532 accidents were caused by drunk drivers between the ages of 18 and 24 and 10,354 people were killed in these accidents nationwide."

The organizers of the mock crash just wanted the students to be aware. They chose a good time to show the crash right before the proms and graduation. They wanted to show students to just be careful and that alcohol and automobiles don't mix.

# The Big Picture

The Bennett Library, First Parish Church, Masonic Temple, Faulkner Mills, and the Old Town Hall could only be seen around town, until recently. Thanks to several dedicated and talented BMHS art students, these local historical landmarks can now be seen in the high school lecture hall.

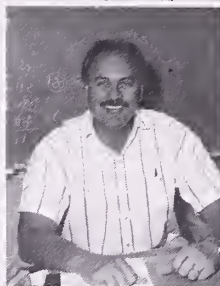

Months of work and planning went into creating this stunning mural, and a drab wall space is now a colorful reminder of Billerica pride. For years to come Billerica students, faculty, and residents will be able to gaze upon this artwork created by a few BMHS students in 1997.

## FALL SPORTS

# *Talk about terrific!*

Autumn approaches: The long hot days of summer are getting shorter and most BMHS students cling to their remaining days of fun and freedom. But already

the high school fields are humming with the noisy energy of athletes preparing putts and punts, attending soccer camps and cheering jamborees. They have run and swum more laps than ever, and played some very competitive games of beach volleyball.

Even before those glossy notebooks and sunshine yellow pencils make their annual debut in K-Mart, Billerica Indians are ready to make their stand.

# Volleyball: Going for a Spike

The girls varsity volleyball team had a rewarding season this year. After being MVC tri-champs last year, defending the title was tough, really tough. Finishing the regular season at 10-10, senior tri-captains Jen McBride, Melanie Connors and Mandi Danehy, along with seniors Kelly Barker and Kathy Umana led the team into the state tournament with help from manager Kristen Fischer. After receiving a first round by, the girls were ready for Peabody. In three games, the Lady Indians crushed their opponents. The team was helped by juniors Casey Goulus, Melissa Traynham, Jesse Rowley and sophomores Bridget McDermott, Robyn Hinchey and Erin Fitzgerald. This win led the team to arch-rival Chelmsford. This would be the fourth time the teams had met, and would be, unfortunately, Billerica's fourth loss. It was the end of the tournament run, and the end of a good season. Good Luck to the girls next year and Justes Faïtes De seniors.

# Golf: Driving Away the Competition

The golf team had a season to remember this year. They made the state finals for the first time in over fifteen years and finished third in the MVC, making this season one of the best in school history.

Led by Captains Todd Rigoli and Ryan Anderson, Seniors P.J. Blackburn, David Fletcher, Steve Fell, Jay Norton and Brian Powers the team had a very successful season boasting a record of 10-5-1.

Many of the players also achieved their personal goals. Captain Todd Rigoli was named All-Conference, P.J. Blackburn and David Fletcher were named All-Stars, and Captain Ryan Anderson received an Honorable Mention.

# Girls Soccer: Net Victories

Picture this: you are in a game, six seconds left to play and your team is down by a goal — game's over, right? Well, that's what they thought. Wrong. In the closing seconds of the last regular season game against Acton-Boxboro, the phenomenal duo of Jackie MacLean and Wendy Boudreau did it again, scoring off a pass from Wendy to Jackie. Game tied 2-2.

This type of game was typical for the 1996 Girls Varsity Soccer Team. Our third game of the season was against MVC rival Methuen. The game started and at half time, we found ourselves down by a goal. The outcome looked bleak, but the players on and off the field pulled together with typical Billerica Pride. In the last ten minutes of the game, we scored three goals, won the game, and became the first place team in the MVC. It put new meaning in our motto — "She who has the will to win will not be beaten."

During the season, we went on to capture the MVC crown and entered the state tournament with a 16-1-1 record and a No. 1 tournament berth. Postseason play started with a 3-2 win over Peabody and a 2-1 win over Beverly. Our next game was against Winchester — the number two team in the country. We went on the field, took command and scored the first goal. Winchester came back and won 3-1, but we left with our heads held high. We ended the season with a record of 18-2-1.

Senior tri-captains Jackie MacLean, Wendy Boudreau and Nicole Ouellette, and seniors Caitie McNulty, Jamie Ciano, Jamie Blois and Meg Newfell were one reason for this phenomenal season. Their leadership and dedication was unmatched. We had three league All-Conference players in Jackie MacLean, Wendy Boudreau and freshman M.J. Sullivan, and six All-Stars in Caitie McNulty, juniors Peggy Pulliam and Kristalyn Miller and sophomores Lisa Daye, Jenn Regis and Carissa Carsno. Good luck to next year's captains and team and Way 2 B Billerica, Way 2 B.

# Boys Soccer: Charging the Net

After last year's growing pains, the team began this year with lofty goals and high expectations. Despite losing only four player's from last year's squad, they were still considered to be the underdog of the league. No matter what the papers or anyone said, they knew they were capable of playing great against any team. And, no matter how distant or seemingly unattainable their goals were, they were determined to prove to their opponents, the newspapers, and the school that they deserved to be respected. They realized that the only way they could gain that respect was by playing their best soccer and winning against tough opponents.

The season began with a bang, a 7-0 victory over Lowell and a big win the next game against Andover (1-0). The streak continued with victories over Central and Methuen, and a tie with Dracut. The only losses of the year came from Tewksbury and Lowell, and two non-league opponents, Catholic Memorial and Acton-Boxboro. The most important win of the season was certainly the second game against Tewksbury, where only a win could give them a chance at the league title. The game was indicative of their season, hard fought and against the odds. The team eventually finished the season strong with victories over Chelmsford, Haverhill, and Methuen.

Senior Chris McCabe and Junior Chris Cowan split the goal tending duties and combed for five shutouts. Seniors Brian Mahoney and Captain Sean Roach led a group consisting of Juniors Charlie Ardell, Chris Foley, Dan Salerno, Dave Hudson, Scott Yavarow, and Sophomore Travis Duprey, where the Defense stymied opponents. Brian Mahoney and Scott Yavarow were named Merrimack Valley Conference all-stars because of their strong performances during the season.

On offense, Captain Bryan Ly, Juniors Tommy Blesso, Darryl Plimpton, Scott Pomerleau, Joe Tasso, Bob Wamness, Bob Lindmark, Sophomores Danny Columbus and Andrew Eicher continually attacked the opponents offensively and scored 45 goals during the season. Tommy Blesso, the league's second lead scorer was named to the League All-Conference Team along with fellow forward Darryl Plimpton.

With their final record of 10 wins, 4 losses and 4 ties, and a second place finish in the MVC, there was certainly an improved team. With a large group of returning seniors next year the team should be a formidable force next year.

# Football: Tearing up the MVC

The BMHS 1996 football team started their season during the early days of summer. Through hard work and dedication Coach Flynn's boys proved that they could play with and beat the best. The Indians harbored a win over Dual-County League Champions Acton-Boxboro 14-0 early on in the season. They then went on to beat the MVC Champions, Tewksbury, 10-0. Unfortunately, the team just missed going to the Super Bowl after suffering a tough loss to Lowell.

The team was led by tri-captains Bill Burrows, Derrick Sarno and Joe Capozzi, and Senior team members Matt Carson, Andy Soares, Rahuldeep Gill, Chris Ross, Randy Depari, Billy Saunders, Gene Nadeau, John McCallion, Shaun Smith, Ed Stanley, and Bobby Rumley.

The '96 football season was definitely one to remember. Who could forget Thanksgiving Day?! The football team embarrassed arch rival Chelmsford by beating the Lions easily 41-0 on their home turf. And so ended a football season that all could be proud of.

# Cheering: Getting in the Mood

Many believe cheerleading is not a sport. But to this year's football cheerleaders this was not true. They believed they worked just as hard as any other sport. They started preparing for their season in June and practiced daily throughout the summer until the end of their season in November.

The team was lead by seven seniors: co-captains Rachel Morey and Kerry Sullivan, Jackie Ambrose, Jenni Ambrose, Lauren Caputo, Jackie Fiore and Dana Putnam.

The girls cheered in the sixth annual Yankee Doodle Parade, performed at the Billerica Memorial High School Marching Band Competition and got the crowd going at every football game.

The seniors would like to thank their coach Rosie for all her hard work and effort put into making us the best. Also thanks to the band for all their support.

# Band: Thunder on the Field

The Billerica High School Marching Band and Silver Jade Colorguard has broken many records and made history all in one outstanding season. The band faced fierce winds, massive flooding, and power outages in their quest for revenge against last season's outcome.

In their second year of competing in Division three, Billerica met its goal, winning the Gold Division title and tying the five time repeating champions, Brick Memorial High School, with an impressive score of 96.65.

Billerica also captured the awards for best marching band and brass sections, while remaining the Massachusetts State Champions for the fourth consecutive year. The town showed its support with the blaring sirens and flashing lights of the police and fire departments as the band "marched" into town.

The impressive "Appalachian Spring" program was led by Senior field directors Karen Fallon and Adrienne Keefe, drum line captain, Junior Bobby Goss, and colorguard captains, Senior Kristi Wohl and Junior Jennifer Silva. The seniors within the band and colorguard have left their mark and will be forever remembered.

# Swimming: Getting our Kicks

We started off the season defending our 1995 MVC Championship title. With a very large team, and only seven seniors to lead the way, there was a tough battle ahead. In spite of this, they accomplished many goals throughout their relatively short season.

The seniors swam their way to many personal victories. Captain Denise Blaisdell had a very successful season. Formerly a distance swimmer she experimented with sprinting this year and did well. Free styler, Michelle Vigna, also sprinted this year instead of distance swimming. She had her best season ever, ranking in her best times ever. Breast stroker, Amanda Drake, also had a good year, improving her times and her stroke. Captain Chrissy Sullivan, a diver, had one of her best diving seasons ever, especially in the post season where she placed in the state meet. Meghan O'Donnell also swam well during the season. First year swimmer, Carolyn Massey, and diver, Katie Sullivan, joined the team and were contributors to the great season.

Two school records, the 200 yard and 400 yard freestyle relays, were broken at the state meet. The two teams consisted of Capt. Denise Blaisdell, Michelle Vigna, Juniors Beth Colandreo and Leah Puffer, Sophomore Alicia Guild, and Chug the train. We owe all of our success to Coach Anthony Fiore, and Assistant Coach Ms. Mary Robb. The season was like one we've never had before, with memories that will last for a lifetime.

# Boys Cross Country: Going the Distance

The Boy's Cross Country team finished the '96 season with a record of 7 wins and 2 losses. This tied them for second place in the MVC with Central Catholic and Lowell. Second place is not bad for a team that was predicted to be at the bottom of the league. The team had great depth with seven returning seniors and three first year seniors. Those seniors included Pete Gonsalves, Scott Mara, Mike Powderly, Jawad Ahsan, Matt Borsini, Mike Bozzi, Jamie Foti, Phil Levesque, Bill Passalacqua, and Joe Sabalo. Other key runners included: Cullen Hagan, Phil Marino, Rob Sparkes, Scott O'Brien, T.J. Patraquin, and Dave Peet.

The team opened up with a huge meet against Methuen and Lowell at Lowell. Billerica swept the meet with a 23-35 win against Methuen and a 29-29 tie breaker against Lowell. Billerica went on to win their next four out of five. With wins over Lawrence (38-21), Dracut (15-50), Andover (25-32), and Tewksbury (23-37). Billerica was defeated by Central Catholic at their grueling home course by a score of 24-31. Next up for Billerica was a tough meet against Chelmsford at home. Unfortunately, things did not turn out as the team had hoped. The final score was a disappointing 39-19.

The next two important meets for the team were the league and state meets. At the league meet Scott Mara qualified for the all-star selection and Pete Gonsalves qualified for all-conference. The team finished in fifth. The state meet was held on a rainy Saturday at Franklin Park on an extremely muddy course. The team over came the adverse conditions to finish the meet and the season in seventeenth place.

# Girls Cross Country: Going the Extra Mile

This season, the girls cross country team had its ups and downs, just like any other team. Injury plagued our team, having Co-Captain Nicole Lamar out for the season with a knee injury. Despite that, we ran a strong varsity team of Candice Lamar, Niamh Brady, Kristen Fidler, Capt. Jan Schaffer, Jackie Ryan, Kate Maslowski, Kristen Tebbets and Caitlin O'Leary.

As we progressed into our season, everyone gave their strongest effort to help out the team, and we ended the season with a winning record, starting with a win over Lowell. Freshmen Danielle Vinciguerra and Lisa Geary were moved up to Varsity later in the season.

Seniors Mary Foley, Heather Leverone and Suzanne Carella showed tremendous effort throughout the season. As a result of a strong finish in the League meet Candice Lamar was named an MVC All-Star.

## Fall: A Season in Sports

## W I N T E R   S P O R T S

### *Talk it up!*

Winter arrives: Where would you like to spend a snowy afternoon or a frigid evening? A cold rink, a sweaty gym, a slimy, smelly mat room, the Marshall basement track? Perhaps not, but in such non-chic locations the Billerica Indians can be found, breaking records and winning titles. They shoot and score, tumble and vault, out distance their opponents or pin them in place. Winter athletes go to school in the dark and get home in the dark, but their victories light up the scoreboard and brighten our trophy case.

# Hockey: Blades of Champions

The Billerica High hockey team had a season to remember. Led by Captain Bobby Rumley, Assistant Captains Chris Dunakin and Brian Powers, and Seniors Bill Passalaqua, Steve Fell, P.J. Blackburn, and Dave Delaney the team skated their way to victory.

The excitement really mounted in what had to be the best game of the season. With the MVC/Dual County Championship hanging in the balance Billerica went head to head with arch rival Chelmsford. The game was tied five times, the lead changed hands three times, and six times a goal was scored within a minute of a goal from the opposition. Never before has the Tully Forum been charged with such excitement. In the end, the Indians were the last ones standing, skating away with a 9-8 victory and a share of the MVC/DVC crown along with Chelmsford and Tewksbury.

The Indians eventually went on to be seeded sixth in the prestigious double elimination Div. 1a tourney (the Elite Eight). The first game paired up Billerica v. Arlington Catholic at the Fleet Center. After a hard fought battle Billerica lost 4-3. Next up was Reading at BC's Conte Forum where Billerica was served another disappointing loss. However, the season was one of dynamic achievements that will be forever cherished.

# Gymnastics: Vaulting to Victory

The Gymnastics team turned out a winning season with a record of 5-4. This was a tough task for this very young team. The team consisted of two junior captains, Jackie Renoni and Adrienne DiRosario, six sophomores, Jenn Rooney, Michelle Lynch, Noelle Bachand, Laurie Gladyszack, Christina Capozzi, and Malinda O'Donnell. The other six members consisted of Freshmen, Candace Foster, Crystal Giurleo, Jenny Graham, Tina Mungillo, Kelly Sullivan, and Katie Thomas.

This was a team in which everyone contributed and was a crucial part, and because of this, the girls ended up ranked 5th in the MVC which is quite an accomplishment. Jackie Renoni and Adrienne DiRosario also ended up on the podium at the MVC meet. Jackie finished 6th in the all-around competition and Adrienne finished 5th on the vault. Jackie and Adrienne also made it to the state meet, Jackie for her vaulting skills and Adrienne for her work on the vault and on the beam.

# Boys Basketball: Hoop dreams

The 1996-97 Boys' Basketball season culminated the long and prosperous career for six Billerica seniors. For Nick Fitzgerald, Bernie Layon, Scott Mara, Jay Norton, and Mike Rouine this season ended a nine year playing career. Jawad Ahsan joined them in middle school, and together they went on to establish themselves not only as a great team, but also as good friends.

In addition to the team's success, obvious because of their state tournament berths, these seniors also had a great deal of personal success. Nick Fitzgerald and Jawad Ahsan were the team's big men, while Bernie Layon was the utility man capable of scoring from anywhere. Scott Mara was continually among the league leaders in scoring and Jay Norton lead the team with both his play-making and incredible shooting. Finally, Mike Rouine was the team's defensive standout. He was called upon to defend the league's best players, and he was successful in each effort.

In fact, the entire team was successful. They made great team and personal strides over their long career, and they look forward to sharing their memories in the future.

# Girls Basketball: Breaking School Records

The 1996-1997 Girls Basketball season was one of goals reached and records broken. The team's record of 9-11 did not show the team's talent, only the difficulty of the Large School bracket, and the talent of this team was great indeed. The team was led by three seniors, Melanie Conners and captains Kelly Barker and Jackie MacLean, all who had incredible seasons. Kelly Barker ended her four year career with a bang, accumulating over 1400 points and 1000 rebounds, breaking school records. Jackie MacLean continued her outstanding defensive game, while stepping up to be one of the leading scorers on the team. Melanie Conners was a utility player, being a defensive wonder or an offensive scorer in turn. Although the team didn't make the state tournament, they had an All Conference player in Kelly Barker, and an All Star player in Jackie MacLean.

# Cheering: Pyramids of Perfection

The 1996-97 basketball cheerleading squad supported the boys' basketball team throughout the season. After attending a camp in August, the team began practicing late in October to prepare for their season. They performed at every basketball game to cheer on the Indians. The dedication of the girls showed when it was time to perform on the floor.

The squad included seniors: captain Andrea Mario, Gayle Powderly, Carrie Graham, and Andrea Blesso; junior Krisi Leibovitz, Laurie Morreale, Amy Piranelli, and Denise Conte. The squad was also helped by sophomore newcomers Caryn Baker and Lisa Picardi. The cheerleaders were advised by Lori Ann Buterbaugh.

# Wrestling: Weighing In

The Billerica Indian wrestling team had an incredible season, finishing with a record of 11-4. Led by tri-captain Matt Carson, Steve Lyman, and Ike Thorpe, Seniors Mike Powderly, and T.J. Joyce the Indians met many personal goals on the mat.

The team boasted many shining stars all season. Several key members were sent to the New England Wrestling Tournament. Among them were Steve Lyman, Matt Carson, Ike Thorpe, Jason Pearl, Randy Prokos, and Pat Hogan.

Expectations for Steve Lyman were especially high. Lyman won both the Division 1 North and Division 1 State titles in the 125-lb. weight class. With these titles Lyman qualified for the National Wrestling Tournament which took place in Pittsburgh, PA. Although Lyman lost his match 5-0 he left with his head held high and rightfully so.

Other senior stand-outs for the Indians were Ike Thorpe and Matt Carson. Thorpe had a record of 40-7 in the 152-lb. weight class. He also won the Division 1 State Tourney and placed second in All-States. Matt Carson had a great season dropping weight this year from 152lb. to 145.

# Boys Track: More than Statistics

The boys winter track team ended its season with a 2-6 record. Despite what the record may indicate, many of the year's meets were close and only a few seconds separated a loss from a win. The team was lead by senior Captain Bryan Ly, Phil Levesque, Bill Faria, Mike Bozzi, and Peter Gonsalves, as well as a junior Captain Eric Meuse. The team's wins came against arch rivals Chelmsford and Lawrence.

Throughout the season, many runners were amongst the best in league and the state. Phil Levesque consistently won in the sprinting events, finishing in the top six in state meets for the 300, as well as tying the school record at 500. Gonsalves and junior Cullen Hagen were among the competitors sent to state meets. And despite the disappointing season, many members of the team were able to place and improve their personal best times.

# Girls Winter Track: Pride is Forever

The Billerica Girls Indoor Track team finished off an amazing season with a record of five wins and four losses. Capturing the Division II Merrimack Valley Conference Championship title, the girls proved that no one around could out-run Billerica. Led by captains Wendy Boudreau (50m), Carrie Hodgkins (shot-put), Jen Schaffer (distance), and Danielle Whitcomb (javelin), the girls trounced Haverhill on February 17th, to capture the Merrimack Valley Conference title and end their season on a winning note. ## Winter: A Season in Sports

# S P R I N G   S P O R T S

## *Not all Talk!*

Spring. A time of rebirth. Once again baseball bats, tennis rackets, softball gloves, lacrosse sticks, and cleats are taken out of the closet and brought back onto the playing fields. Spring. A time of new beginnings. A time to soar to new heights, above and beyond expectations, as the crowd grows hoarse from cheering. A time to push the limits. To run faster, to

play harder... Spring. A time to celebrate life and vitality. Feel the wind against your face as you round the bases or trot down the field. Spring. The last lap in our high school sports career. Our final stand- we have reached the long awaited

finish line and scored the ultimate goal.

# Girls Softball: Go the Distance

The Girl's Varsity Softball team started off their season with great hopes and big dreams. Though through the season they had some heartbreaking losses, they finished off the regular season with a respectable record of 12-8. This is when their "second season" started. Starting off their state tournament play with a come-from-behind win over Lexington, the team knew that they were going places. A 2-0 win over #2 seeded Everett opened the eyes of fans and closed the mouths of critics. Next was the win over arch-rival Chelmsford, 1-0, and revenge was sweet over Woburn 3-1. Suddenly, the 12-8 team of Lady Indians were North Sectional champions — the farthest any softball team in the history of Billerica has gone. They finished off the season 16-9 and had an All-Conference player in their star pitcher co-capt. Jen McBride. All Stars included co-capt. Jess Ennion, Carrie Hodgkins, and Lori Chenevert.

# Boys Baseball: Bottom of the 9th

The 1997 boys varsity baseball team may not have had a successful season, but they made it one that was exciting to watch, always fighting back to get back in the game. Although the team had a down year, that didn't stop the team from having a few MVC All-Stars. This shows that even though the team lost more than they won, the team still played at the top of its game and never quit. The Indians proved their worth by upsetting a tournament-bound Waltham team — ending their season with a bang. The Indians were led by Seniors Mike Reid, Jay Norton, Brad Markunas, Dave Fletcher, Ned Pierce, Chris Dunakin, Steve Fell, and Shawn Smith.

# Girls Lacrosse: Cradle the Ball

The girls lacrosse team knows the real meaning of the term "growing pains." Still in its infancy, the girls lacrosse program had to recover from the loss of eleven seniors in the program and played with only three seniors this past season. Despite these setbacks the Lady Indians improved steadily with every game. Led by senior tri-captains Kathy Umana, Jen Rolinson and Caitie McNulty the Lady Indians demonstrated what true perseverance is. Lead scorers for the team included Junior Jesse Rowley with forty-one points (26 goals and 15 assists) and Kathy Umana with thirty-five points (25 goals and 10 assists). Senior Caitie McNulty also played strong offensively, boasting seven goals and seven assists. Anchoring the defense was Jen Rolinson who played the cover point for the Lady Indians.

# Boys Lacrosse: Take the Shot

Perhaps the biggest surprise of the spring athletic season was the boys lacrosse team, coming together to capture their first north league title since 1993. Key victories over arch rivals Winchester and Lexington ended the Indian season, 13-4 overall, with a number three seed in the state tourney. The Laxmen were led by seniors Gary Ford, Dan Frado, Mike Powderly, Sean Roach, Joe Cucchiara, and Mikey Teta, the first group of players to go through Billerica's growing youth program. Next year's team also looks to be a state title contender, returning thirteen experienced lettermen who will be ready to challenge perennial state powerhouses.

# Boys Volleyball: Spike the Ball

The boys volleyball team showed substantial improvement over the course of these four years. Nick Fitzgerald, Steve McCarthy, and Doug Pacheco began their careers as freshmen with a record of 1-17. Despite the poor and discouraging season, they all returned their sophomore year, ready for improvement.

With the addition of Greg DiFraia, Brian Mahoney, and Greg Martin, the team immediately began improving. They finished the season 9-11. The next year, destined for the state tournament, the team finished the season with a record of 14-6, locked for the tournament early in the season. The Indians, unfortunately, were defeated in the first round. However, with most of the team returning, the stage was set for an outstanding senior year.

It was a senior year nothing short of incredible. After posting a record of 1-17 only three years earlier; DiFraia, Fitzgerald, McCarthy, Martin, Mahoney, and Pacheco became the first graduating seniors to win a league championship in boys volleyball. The seniors finished their final season 18-2, and earned the top seed in the 1997 Division North State Tournament.

# Girls Track: Racing Toward The Finish

"Through it all, they persevered." If the girl's track team ever had a slogan for the 1997 season, this would be it. Though their season plagued with injuries, the Lady Indians continued to make Billerica proud. Led by senior captains Michelle Vigna (100m) and Danielle Whitcomb (javelin), the team gave it their all. And though most would consider this a rebuilding season, the young team made some great strides. Junior Deirdre Lorway placed third in the Merrimack Valley Conference in the 200m, while Melissa Gonsalves placed in the states in the 800m. The 1998 season looks bright as runners Niamh Brady, Nicole Lamar, and Ann Faria return as seniors. The team may have been young, but it has great potential and is sure to impress us in coming years.

# Boys Track: Going the Distance

The boys' spring track team was led by captains Bill Faria and Phil Levesque. Faria competed well in the pole vault making the state class meet. Levesque ran sprints and also qualified for the state tournament. Other seniors competing were, Mike Bozzi in javelin, and Dan Donaghey and Matt Borsini, both in distance. Junior, Cullen Hagan was All-conference in the 800 meters. Juniors, Rob Sparkes, James Dalfino, Mike Newcomb, Ben Davis, Jared McClay, Scott Pomerleau, Jon Fardy, Derek DiRocco, Joseph Capalbo and Bob Wamness competed well and will lead the team next year. Underclassmen that also competed well were Donny Casey, Scott O'Brien, Scott Dedeo, Colby Goulus, Phil Vassello, Sachin Gupta, Tom Wilbur, J.J. Shea, Josh Reese, Chuck Viveros, Shaunt Voskanian, and Jason Dickey.

This season was a rebuilding one with only one win versus Dracut. The team fared well in the league meet with Hagan winning the 800, and Levesque capturing second in both the 400 and the 4x400 relay team along with Dan Dalfino and Hagan. The team came a long way this year, having made many improvements as the season progressed. Hopefully they will continue to build for a strong season next year.

# Girls Tennis: Love, Set, Match

The girls tennis team improved over last year's season by two wins. With a record of 4-14 they were still far from perfect. Still this year quite a bit of improvement was shown.

Junior Krysten Kneeland took over the number one position and did very well there, winning the majority of her matches. Senior co-captain Cheryl Harwood changed her position from second doubles last year to second singles for this season. She won many matches and helped the team immensely. Senior Meredith Bridge took over the position of third singles also competing well.

The tandem of seniors Mary Foley and co-captain Kristen Fischer did well in their first doubles position. They won over half of their matches and came through for the team many times. Senior Sandy Fletcher had many partners including Jen DeYoung and Katie Busalacchi. No matter whom she was paired with you could always see the hard work shine through.

The girls still have a lot of work to do to get back to the place they were at four years ago. They are well on their way to more successful seasons.

# Boys Tennis: Match Point

The boys varsity tennis team, led this year by senior co-captains Brian Ly and Todd Saggese, did very well this season.

Both captains could be seen playing in the singles position along with junior Chris Allen. While these three were busy playing singles, fans could see Daren Bridge and Wes Zichetella along with Kevin Bruce and Billy Doherty giving tough competition on the doubles court.

The teams record this year was 7-9, just one win away from a state tournament berth. Next year's season also looks good with a strong group of players moving up in the ranks.

## Spring: A Season in Sports

## ORGANIZATIONS

### *Let's go clubbing!*

If you want something done ask a busy person, so the saying goes. There were many busy people in the class of 1997, and chances are if you belonged to one organization, you belonged to two others as well. Want to eat cheese, view subtitled movies, play scrabble in French? Join the French club. Do your friends call you a ham? Prove it by joining the illustrious BMHS Theater Company. Are you tired of singing to the shower head? The acoustics in the auditorium

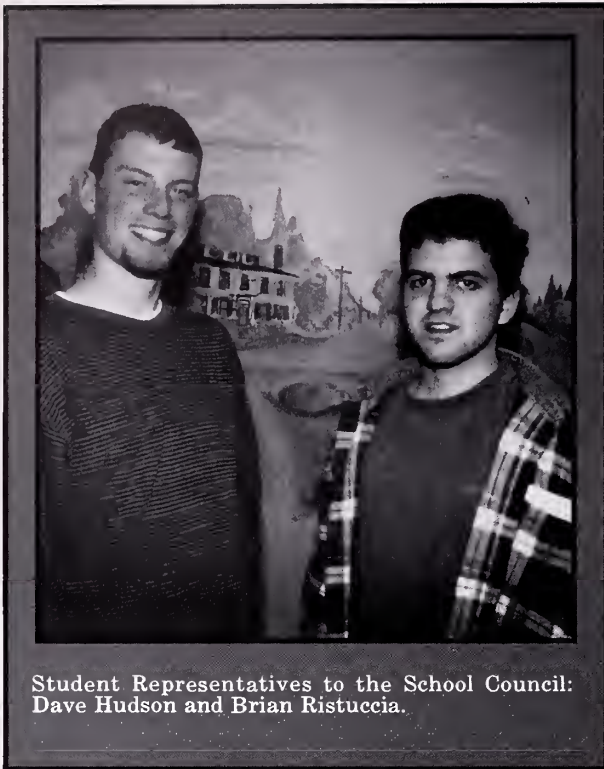

are much more flattering, so join the chorus or ensemble. Whether you want to have an effect on your school, your community, your world, or galaxy, there are like-minded people to hang with. Members of our class created a web page and a literary magazine and the yearbook you're holding in your hand.

Activities and interests give us something to talk about, a way to come together in a community called Billerica High.

# Student Government Rules!!

Student Representative to the School Committee: Steve McCarthy.

This year's Student Government debated many important issues concerning Billerica Memorial High School students. Perhaps the most significant issue concerned next year's Advanced Placement (AP) Examinations. Student Government assisted the administration by offering thoughts on how AP courses should be conducted. Earlier in the year Student Government conducted a fund raiser which helped Old Ironsides sail on the fourteenth of July.

# Put Words into Action to Aid Our Community

## Outing/ Environmental Club

Every Thursday morning, the faithful members of the Outing Environmental Club lined the halls, ready to recycle. With clipboards in hand and blue bins in tow, the members of the club collected, checked off, and dumped the paper from every room in the school. Without the help of Mr. Woodbury, Mr. Patterson and Mr. Safier, the recycling program would have never gotten off the ground.

Collecting paper was not all that the Environmental Club did. With their advisors they also enjoyed many outings around New England.

The BMHS Drama Club directed by Jeffrey Gage performed "Poe's Midnight Dreary." Edgar Allen Poe, the master of the short story, lived a life of chaotic drunkenness. During his life he was misunderstood and the product of fate. However, his poems and the short stories are now marveled at as true masterpieces. The play this year incorporated several of his short stories. In between stories, Poe (Neil Crimins) falls in love, lives with, and prematurely loses his love Anabel Lee to death. His loss of love leads to his depression, giving even more dreariness to his works.

When the spotlight was not shining directly on the members of the cast, they still contributed to the feeling of the show by standing on stage representing the dead. Wrapped in gauze and doused in white make-up and powder, the cast gave an eerie effect. Onlookers were taken by surprise when the cast members crawled into the audience and moaned and shrieked as if awakened from the dead. Small lights shot from every direction as the dead came to life. When the cast jumped on their feet and went running through the auditorium, they could each see the surprise in the eyes of the spectators.

### *Talk of the Town!*

Now that we've given them something to talk about, is there anything left to say? Well a few things. For example: "Please, please, Mr. Flynn, sign me out and I'll paint your house"... "Nice cummerbund, man" ... "Oh, no! I forgot to give the graduation tickets to my parents!" ... "I'm fifteen over par on the miniature golf course, and I'm winning!" ... "Thanks, Mr. Safire, I can't believe I got the perfect attendance award either" ... And one last thing: The Class of 1997 is outa here!

## "Fiddler on the Roof"

*"A Fiddler on the roof sounds crazy no? But here in our little village of Anatevka you might say every one of us is a fiddler on the roof trying to scratch out a pleasant simple tune without breaking his neck. It isn't easy, you may ask why do we stay up there if it is so dangerous? We stay because Anatevka is our home, and how do we keep our balance? That I can tell you in one word . . . TRADITION!"* (Tevye the dairyman, "Fiddler on the Roof").

Tradition was the basis of life for the Jewish people in Anatevka, Russia in 1905. However due to Tsarist rule, the Jewish traditions and beliefs were being challenged. Under Tsarist rule there was no room for Jewish doctrines. The Jewish people tried to continue their traditions in the midst of the challenges.

Tevye (Neil Crimmins) and Golde (Michelle Farrell), a Jewish dairyman and his wife, are faced with the hard task of raising their beloved daughters to be steadfast in the Jewish faith, in a world of change and a society which is not conducive to their lifestyles. The children are taught to understand God, love and independent thinking which should guide their decisions into adulthood.

The three oldest daughters separate from the family to follow their loves. The importance of love that Tevye and Golde enforced in their minds is that which led their children away from the family to be with their loves. Tzeitel (Jenny Baldwin) marries a poor tailor Motel (Michael Greeley), despite who the Matchmaker Yente (Jenny Evans) earlier matches for the young girl, Lazaar Wolf the butcher (Brandon Morris). Golde has already made her mind up that Tzeitel and Lazaar would marry (she would never go hungry true? True!). However Tevye cannot help but listen to the pleading cries of his daughter, therefore he fabricates a dream about Golde's Grandmother Tzeitel (Laura Leone) coming from the grave to tell Tevye to allow Motel to become Tzeitel's husband. Golde, being superstitious, decides that they must follow her grandmother's instructions.

Sounds heavy huh? The cast of "Fiddler on the Roof" lived in their village of Anatevka from January to April under the direction of Susanne Robertson, and assistant director Jefferey Gage. Mrs. Robertson transformed the auditorium into a village of Russia. The entire cast magically contributed to a deep and beautiful production of "Fiddler on the Roof" in which they learned the importance of strong beliefs and freedom in a world of tradition!

Seniors in the cast were: Andrea Blesso, Shannon Casey, Steve Dickey, Michelle Farrell, Brian Fournier, Carrie Graham, Katie Lewis, Laura Leone, Paul Prestia, Meghan Robertson, Joe Sgroi, Julie Swinimer.

## Senior Prom

Picture the perfect night for a prom — sunny skies, nice temperatures, and a beautiful place to hold the prom. We had all of that and more. On Friday evening, May 30th, 1997, the senior class gathered together at the Ferncroft in Danvers, for our last big bash as a class.

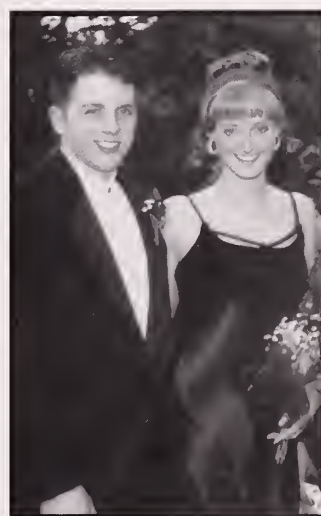

Limos pulled up, prom-goers stepped out, and the evening began.

After braving endless picture lines, we sat down to enjoy our buffet dinner, and had time to check out everyone's formal wear. There was a rainbow of colors, ranging from black, white, and red, to silver, gold, and lime green.

Then it was time for the real fun to start. As the Class of 1997 danced the night away, we were once again defying tradition, as we had no prom court or king and queen.

When the DJ played the last song, our theme "I Will Remember You", by Sarah McLachlan, we were surprised to realize that the night was already over. We made memories on that night, ones that we will talk about for a lifetime.

"I Will  
Remember

## Sign Out!

Senior Breakfast: Surrounded by green and white balloons, the class of 1997 milled around the cafeteria, eating breakfast, seeing friends, and waiting in the endless line to sign out of gym. From

the time the autograph books were passed out, until that final signature from Mr. Safier was received, the seniors had a great time. Pictures were taken, good-byes were said, and memories were made, and on the morning of June 2nd, the Billerica Memorial High School class of 1997 was officially signed out!

## Class Day Cedardale Recreation Center

### Fun in the Sun!

Just arriving at class day celebration was an adventure. The directions we were given provided a final challenge to the class of 1997, but after a series of mismarked exit signs and a maze of dirt roads, the seniors finally arrived at Cedardale. Mr. Flynn defeated many at tennis, and Mr. Safier held his own in basketball against some of the seniors. Many aspiring "Tigers" tried perfecting their windmill shots. Even though temperatures were chilly, many enjoyed the bubbles in the hot tub. Some ventured willingly into the pool, while others had the decision made for them. Eating sand was the order of the day on the volleyball court, while over in "Little Fenway" seniors faced the menacing green monster and the Citgo sign.

As the day drew to a close, memories were made that will last a lifetime. Class day at Cedardale in Groveland gave us "something to talk about."

Top row left: Lori Chenevert, Melanie Conners, and Jackie MacLean have their picture taken fresh out of the pool.

Top row center: Todd Silva returns the ball.

Top row right: Rahul Gill concentrates on his serve.

Middle row left: Girls just wanna have fun!

Middle row center: Bethany Cyr kicks up some dust during a volleyball match on the sand court.

Middle row right: Shawn Smith plays a friendly game of B-ball.

Bottom row left: Keri Santolucito and Lisa DiMente smile for the camera.

Bottom row center: Steve Dickey, Julie Swinimer, Michelle Vigna, and Shannon Casey take on the mini-golf course.

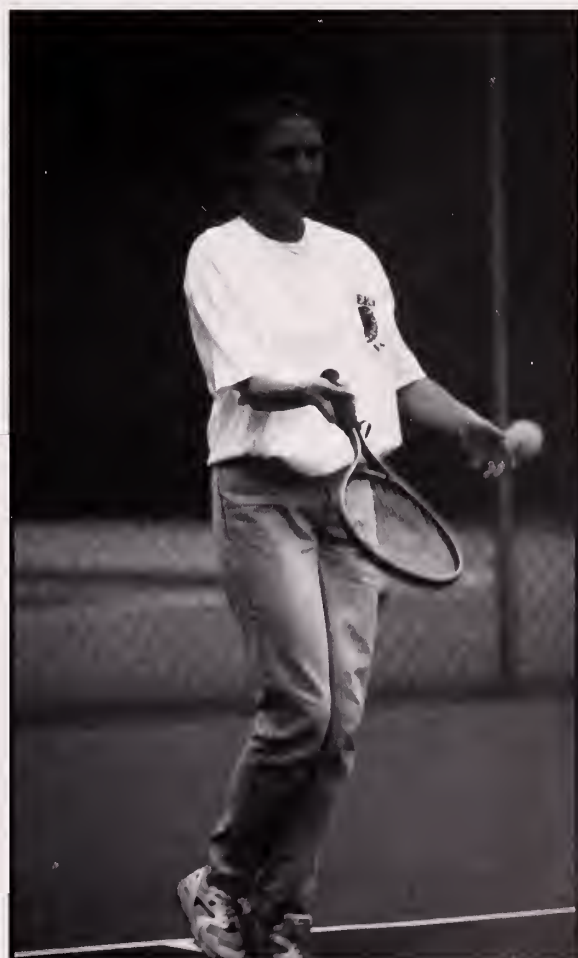

Bottom row right: Mandi Danehy returns the serve.

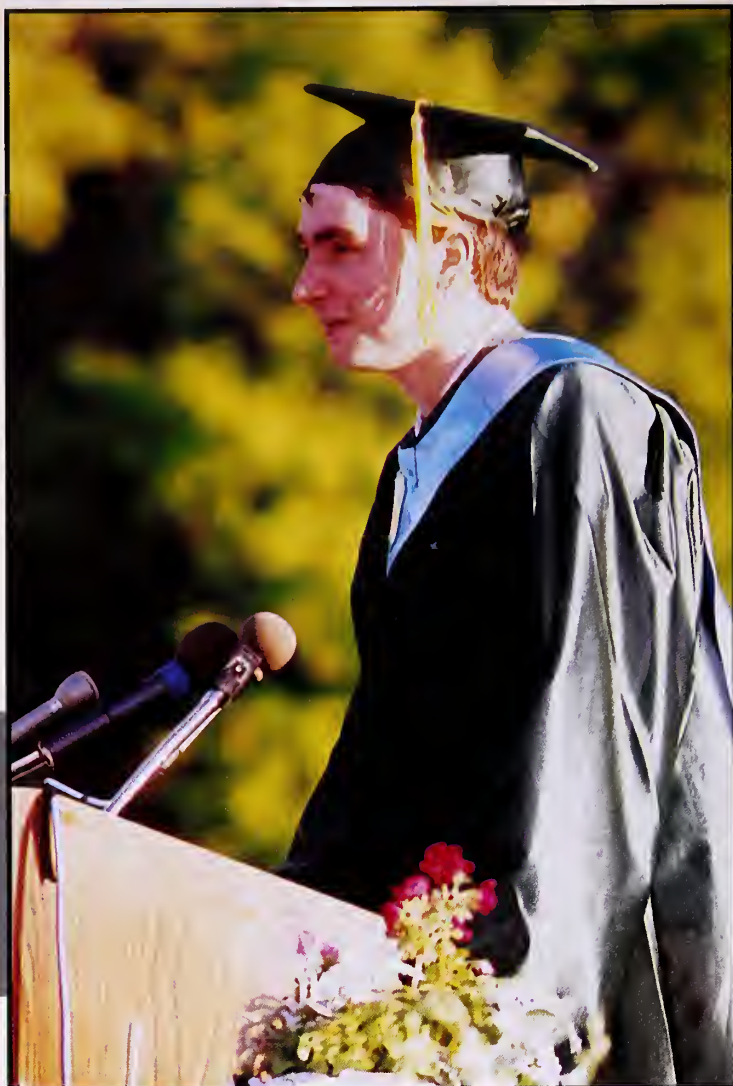

"Party On!"

*"We can make a difference, not because of our intelligence or physical strength, but simply by being ourselves and being willing to talk and listen to the young ones in our lives."*

*Valedictorian Nick Fitzgerald (Top left)*

*"As life continues and we gain new experiences and adventures, do not be fearful of tomorrow's uncertainties. Embrace the twists and turns, the ups and downs that come with life."*

*Salutatorian Bryan Ly (Top right)*

*"And to our 'village' of Billerica I don't hesitate to say: 'Keep watching us. We'll make you even prouder in the years to come . . . and we'll always remember where we came from.'"*

*Class President Melanie Connors (Right)*

# Graduation

June 4, 1997: Graduation day at the football field in Billerica. Everywhere you look robes of green and white could be seen, as well as the occasional decorated mortarboard. It was a time we had dreamed of for so long, and in a flash of speeches, flowers, and tears it was over. Melanie Conners made us proud of ourselves and our "village" of Billerica and made us wonder about what we might become in the future. Bryan Ly spoke of the minutes that drag on and the years that fly by much too quickly. Nick Fitzgerald made us all cry with his wishes for the future and the poem he read by Bob Dylan.
